FOR IMMEDIATE RELEASE

CIT Relay & Switch Announces DigiKey Electronics Partnership

Minneapolis, Minnesota – CIT Relay & Switch is excited to announce that we have expanded our distribution partnerships to include DigiKey Electronics. This partnership will make our relay and switch product available globally, with the full-service, user-friendly search engines of DigiKey Electronics. The full compliment of CIT relays and switches will be available – serving industries and applications including Agriculture, Audio Video, Transportation, Security, Food & Beverage, Oil & Gas, White Goods, Industrial, Lighting, Automation, HVAC, Green Energy and so much more.

The partnership between DigiKey and CIT Relay & Switch offers design engineers the most expansive product offering of CIT and the immediate availability and on-time delivery of DigiKey Electronics, making design, prototyping and production the fastest in the industry.

CIT Relay & Switch, a division of Circuit Interruption Technology, Inc., manufactures a broad array of automotive, telecom, security, industrial and audio relays and switches in thru-hole, panel and surface mount styles. CIT Relay & Switch products are supported by a worldwide network of distributors and sales representatives. For more information about the CIT Relay & Switch CUSTOM Anti-Vandal Switches or any of the CIT relay or switch products, contact CIT Relay & Switch, 14680 James Road, Rogers, MN 55374. Phone: 763-535-2339, Fax: 763-535-2194, Email: sales@citrelay.com, Website: www.citrelay.com
