FOR IMMEDIATE RELEASE

CIT Relay & Switch Offers Broad Line of Automotive Relays up to 80 amps

Minneapolis, Minnesota – CIT Relay & Switch offers a broad line of mechanical automotive relays. From low current applications up to 80 amps, CIT can support your requirements. To choose the best automotive relay for your application, contact CIT Relay and Switch, we will work with you to determine your best options and provide you with a high quality, competitive solution.

Specifications and materials are dependent upon your choice of relay.

Pricing ranges are dependent upon options and volume. Contact CIT Relay & Switch for lead-time information.

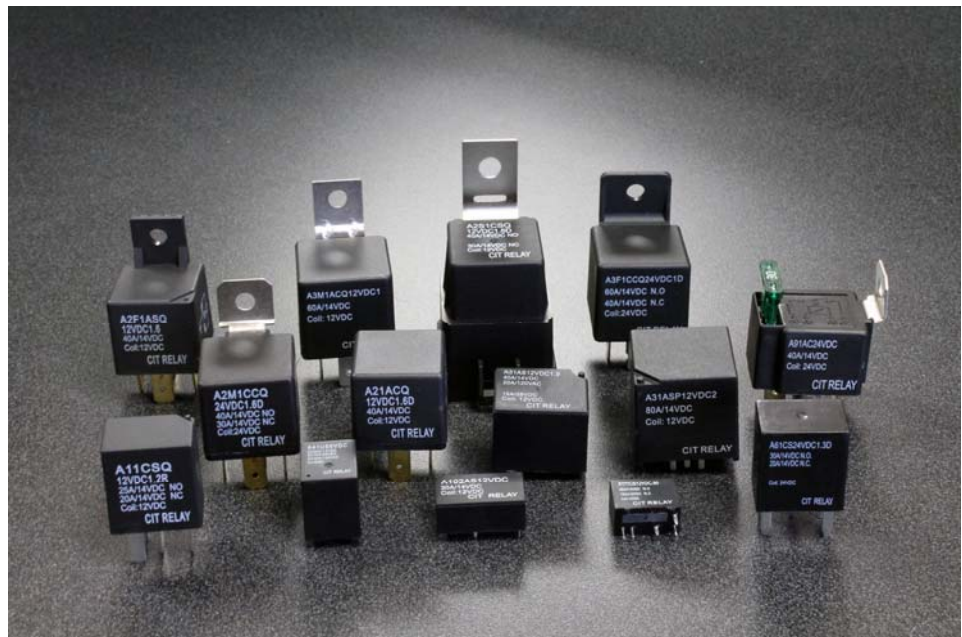

CIT RELAY & SWITCH manufactures a broad array of automotive, telecom, security, industrial and audio relays and switches in thru-hole, panel, and surface mount styles. *CIT RELAY & SWITCH* products are supported by a worldwide network of distributors and sales representatives. For more information about the *CIT RELAY & SWITCH* automotive relays or any of the CIT relay or switch products, contact *CIT RELAY & SWITCH*, 14680 James Road, Rogers, Minnesota, 55374 USA.
