### **CIT Relay & Switch Offers Broad Line of Tactile Switches**

Minneapolis, Minnesota – CIT Relay & Switch offers a tactile family of switches with lighted, sealed, thru-hole, right angle and surface mount terminal options with a multitude of choices in cap styles, many of which are available with and without LED hole and several optional frames. Our extremely versatile tact switches provide design engineers with several LED color choices. Bi-color choices make endless the combinations and applications for these popular switches. Non-lighted versions are also available with multiple cap and frame color combinations.

Specifications and materials are dependent upon your choice of switch.

Lead-time averages 4 to 6 weeks. Volume pricing is dependent on option choices. Contact CIT directly for a quote and sample to solve your tact switch needs.
