FOR IMMEDIATE RELEASE

CIT Relay & Switch Illuminated Pushbutton Switches

Minneapolis, Minnesota –The Illuminated Pushbutton Family of switches offers sealed, thru-hole, right angle and surface mount terminal options with a multitude of choices in cap styles. Our versatile pushbutton switches provide design engineers with several LED color choices. Bi-color choices make endless the combinations and applications for these popular switches.

Specifications and materials are dependent upon your choice of switch.

Lead-time averages 4 to 6 weeks. Volume pricing is dependent on option choices. Contact CIT directly for a quote and sample to solve your illuminated pushbutton needs.

CIT RELAY & SWITCH, a division of Circuit Interruption Technology, Inc., manufactures a broad array of automotive, telecom, security, industrial and audio relays and switches in thru-hole, panel, and surface mount styles. *CIT RELAY & SWITCH* products are supported by a worldwide network of distributors and sales representatives.
